## Shipping and Payment Terms

### ■ International Shipping Service

We adopt EMS, DHL Express, or Sea Freight for international shipments. These three shipping services are GP standard shipping methods that are reliable and safe for most countries and regions.

### ■ Payment Methods for Overseas Customers

Overseas customers are invited to pay via bank transfer or PayPal. (a.) To pay through bank transfer, make sure to pay in full, which means covering any third-party charges from your side is required. Please instruct your bank to transfer money with OUR instruction. Otherwise, you will be invoiced for extra handling fees. It will incur bank handling fees when there is a correspondent bank between remitting bank and E. Sun Bank. (b.) To pay via PayPal, you will have to cover the 6.5% of total transaction amount (4% for PayPal. 2.5% for PayPal withdrawal fee, go to *Appendix I*). Please note that we only accept full payment.

### ■ Shipping Destination

For bank transfer payment, we will ship orders to the intended destination as requested by the buyer. For PayPal, please note that we will only ship orders to the address bound to your PayPal account. This precaution is simply to avoid scam.

### ■ International Delivery Time Frames

Orders shipped with via EMS and DHL typically take 4-8 business days to arrive at the destination country/region. Please note that the shipment may be delayed due to customs clearance process and/or national holidays in both Taiwan and the destination country. The delivery frames mentioned above are estimated by the shipping services and therefore are for reference only.

### ■ Customs Clearance Fees

When importing GP products from overseas, the recipient must comply with all laws and regulations of the destination. You may be subject to import taxes, customs duties and fees levied by the destination country once the shipment arrives. All the additional

charges must be fulfilled by the recipient. GP has no control over the destination country's regulations. Please contact your local customs office for more information.

#### ■ **International Shipping Rates**

The shipping rates are based on EMS, DHL, and Sea Freight's quotations. The charges may vary due to factors such as foreign exchange rates or price changes. Some countries may be subject to higher rates resulted from political situation.

#### ■ **International Shipping Availability**

Some countries may not be available for international shipping. Shipping services will determine the availabilities for countries and regions based on various factors. The status for every country may change anytime.

#### ■ **Limit of Liability**

GP shall not be liable for delayed delivery, change of shipping rates, customs clearance fees, product damage during shipping, and/or any loss due to buy's and/or third-party's negligence, failure to comply with regulations and laws of destination country. Please note that the products ownership will have been transferred to the buy once the goods reaches a shipping center.

#### ■ **Insurance**

To maintain the integrity and safety of your goods, we would strongly recommend you purchase shipping insurance for your orders to protect you from potential risks during transportation. For orders shipped with EMS, please refer to *Appendix II* for insurance prices.

#### ■ **Return Policy**

GP does not guarantee the replacement, reshipment, and/or return of goods on international orders. We will do everything we could to provide best customer service and seek the highest quality of goods, and to help with any problem that may occur during international shipments, but please understand GP has quite limited influence once goods leaves Taiwan.

#### ■ **Acceptance of Terms**

By paying the full amount of the issued invoice, you agree to the *Great Power Engine Shipping and Payment Terms*.
